

## **Full-Time Enrollment**

12 credits for undergrad (at least 9 credits must be in the classroom) fall and spring semesters

6 credits for grad (at least 3 must be in the classroom) fall and spring semesters

Must attend all 16 weeks of the semester (attend both 8W1 and 8W2)

With a 24-month I-20 (students starting this fall), the student has two options:

Take 9 credits fall, 9 credits spring, have summer break

Take 6 credits fall, 6 credits spring, 6 credits summer

Cannot extend I-20s if students fail to complete their program in 24 months due to not taking enough courses and/or failing courses

## **CPT**

Must have completed at least 2 full-time semesters in the US

Must have a job offer directly related to field of study (majors only)

Student and faculty advisor/internship office must complete CPT documentation

CPT is limited to a 16-week semester of 8-week term (with some flexibility on the CPT start and end dates)

CPT can be extended for an additional semester/term, but the entire CPT process must be completed again

## **Internship**

Must be eligible to enroll in internship credit (practicum and capstone courses can be used/substituted also)

Internship can be 1-3 credit hours

Internship credit is typically in addition to degree requirements

Must register for an internship course each time CPT is authorized
