

College Student Use of Complementary and Alternative Medicine

Name, a graduate student at Regis University, is conducting a research study to evaluate college students' knowledge about and use of various forms of complementary and alternative medicine (e.g., supplement, acupuncture, massage). You are being asked to complete this survey because you are enrolled in a Health Studies class this semester.

Participation is voluntary. The survey will take approximately 30 minutes or less to complete. You must be at least 18 years old to take this survey.

This study involves no foreseeable serious risks. We ask that you try to answer all questions; however, if there are any items that make you uncomfortable or that you would prefer to skip, please leave the answer blank. Your responses are anonymous.

If you have any questions or concerns feel free to contact Ron or his faculty advisor:
