

Debriefing Form Template

Title of Project:

Principal Investigator:

Faculty Advisor (if appropriate):

Thank you statement:

Thank you for agreeing to participate in this study. *[Explain the purpose of the study with enough information so that the participant can understand it.]*

Recap:

[Review with participants the procedures the participants engaged in. If there is deception, explain the nature of the deception and why that was necessary.]

Questions/Comments:

[Remind participants they can contact the Primary investigator at the email/phone number provided on consent form or IRB@Regis.edu if they have questions. Remind participants that they are able to contact the counseling service if one was provided on the consent form and are uncomfortable as a result of the research project.]
